vi) Bay to Bay cycle way.

Supported the town councils concerns and position about the unsuitability of the end destination (Green Lane). The lack of consultation, engagement in the route development, lack of consideration given to seeking alternative routes means that the County Council has withdrawn the application for funding on that section of the cycle way.

Councillor Laity and Collins strongly emphasised that the lack of consultation, the hurriedness of the application and the unsuitability of the end destination meant that the cycle way route could not be supported by the town council

vii) Affordable Housing Warspite Way

Noted in previous minutes that Cllr Reynolds had raised awareness of problems in Marazion residents applying for affordable housing in Warspite Way. The application process is confusing.

Track and Trace is run by NHS and not Cornwall County Council.

It is intended that Cornwall County Councillors are going to be notified about the number of cases in their respective divisions however that has not yet happened.
