

HUDSON ACCOUNTING LTD.
INTERNAL AUDIT REPORT:
TO THE MEMBERS OF MARAZION TOWN COUNCIL
YEAR ENDED 31ST MARCH 2023.

ISSUE DATE: 23/05/2023
ISSUED TO: TOWN CLERK

INTRODUCTION:

Internal auditing is an independent, objective assurance activity designed to improve an organisation's operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control, and governance processes.

Scope:

The scope of the audit covers, as a minimum, the areas included in the Internal Audit Report contained in the Annual Governance & Accountability Return.

Approach:

Audit work is carried out in line with the Chartered Institute of Public Finance and Accountancy's Internal Audit Standards and guidance issued by the National Association of Local Councils.

Where applicable we have included reference to 'proper practice' and the associated guidance as laid out in 'Governance & Accountability for Smaller Authorities in England' which is applicable to financial years from 1st April 2022.

Selective testing was carried out and the relevant policies, procedures and controls were reviewed.

GENERAL COMMENTS:

We would like to thank the staff for their assistance and co-operation during the audit.

The matters raised in this report are only those which came to our attention during our internal audit work and are not necessarily a comprehensive statement of all the weaknesses that exist, or of all the improvements that may be required.

It should be noted that assurance can never be absolute. The most that the internal audit service can provide is a reasonable assurance that there are no major weaknesses in risk management, governance, and control processes. The audit does not guarantee that the accounting records are free from fraud or error.

The review undertaken obtained a level of assurance which has allowed us to complete the Internal Audit Report element of the Annual Governance & Accountability Return with no qualifications, thus in all significant respects, the control objectives were being achieved throughout the financial year to a standard adequate to meet the needs of the Council.

We have provided a table of audit recommendations that allow for the Council's response which can be used as an ongoing monitoring tool. We would be grateful if, in due course, it was completed and returned to us.

AUDIT COMMENTARY:

Items in **bold text** within the body of the report represent our findings in respect of the application of controls, text in *italics* represent suggested actions that fall short of being a formal recommendation or do not necessarily pertain to the application of internal controls.
